comparable, we are gonna have
a beautiful, wonderful future.

But Minor 1 won't; Grace + Jordan - hope
Witness 1 - hope; Victim 2 - hope

Indigo, Sophie, Reiner - they will be
happy with us.

Again - I'm sorry for who I am.
I am a Dominant. I had a
sacramental wedding with Victim 2 - a true
sacrament that does NOT go away.

I made a covenant with Victim 2 &
I made a covenant & promise of
an absolute commitment to you.

I'm planning a future with you.
You & I are going to be together - I will
never let you go - never.

I had a dream - you were in it before
I knew you. We have a connection, a real
connection. We will be happy in the future -
we will be great together. You will have to
help me get Minor 1 away from Victim 2. And
Witness 1's decisions are her decisions.

So, don't talk to Witness 1 unless you are
willing to make it work with all of us.
